# The LTI System™

## New Leadership Institutes Starting This Fall

We are excited to see several new ministry leadership institutes being started this fall, who will be utilizing LTI's 1) FEL Training Series, 2) Instructor Certification, 3) Managing and Mentoring Guidelines, and 4) LTI's Ongoing Customer Service Support to train and empower effective ministry leaders. All four components combine to form The LTI System™.

Starting this fall:

**Atlanta, GA** – Grace Chapel Church of Christ will begin their own institute using the LTI System™. Grace Chapel is a key lead church in the southeast region for the denomination.

**Daytona Beach, FL** – Global Outlook Missions Intensive is launching a nine-month in-resident missions training school to send long-term missionaries overseas. This pioneer class of 30 adults will utilize the whole LTI System™ to be trained as effective leaders!

**Portsmouth, VA** – Calvary Evangelical Baptist Church, pastored by Dr. Allen McFarland, is starting the Calvary Leadership Institute to raise up leaders within their church. Dr. McFarland also serves on the board of Liberty University in Lynchburg, VA.

### Three Virtues are Foundational for People Skills

From *Leading Skillfully*

*There are plenty of teachings on developing people skills; however, what separates LTI's approach from the others is recognizing the foundational virtues upon which people skills are built.*

#### 1. Love: The proper motive.

*And he has given us this command: Whoever loves God must also love his brother (1Jn 4:21).*

- We can have many motives, but only agape (unconditional) love will give the long-term motive to truly understand others.
- We must ask God to give us love for people.

#### 2. Wisdom: The proper insight.

*Who is wise and understanding among you? Let him show it by his good life, by deeds done in the humility that comes from wisdom (Jas 3:13).*

- Wisdom allows us to see people from God's perspective.
- Wisdom also helps us to know the right way to respond.

#### 3. Esteem: The proper action.

*Dear children, let us not love with words or tongue but with actions and in truth (1Jn 3:18).*

- Ultimately, our understanding of people must transition from godly motive and insight into actions.
- Love requires more than just words, but actions. Esteem is the "visible" part of our people skills, revealing our motive and insight.

#### All Three Virtues Are Required:

**No Love** - Wisdom and esteem without love means your motive is self-seeking and your actions manipulative.

**No Wisdom** - Love and esteem without wisdom means your expressions may lack proper perspective.

**No Esteem** - Love and wisdom without esteem means you have no tangible demonstration of people skills.
