Certified Trainer Seminar

"This training material and program are outstanding. We are committed to use the FEL Series as the leadership portion for training all our candidates to become licensed ministers within our region."

Garry Bryant, Executive Director

Redemption Ministries (Eastern Region), Pentecostal Holiness Church

LTI continues to see strong results and new open doors as we focus on gathering key ministry leaders who are responsible for conducting ministry training for others. LTI held a very strategic two-day Certified Trainer Seminar in Chesapeake, VA in late October, where 22 leaders from many diverse backgrounds came together to become oriented, trained, and ready to implement the Foundations for Emerging Leaders Series within their ministry networks.

Graduates of the October Certified Trainer Seminar

Consider the roll call of representative leaders that attended and completed this multi-denominational, multi-ethnic and gender-diverse gathering:

- 9 Senior Pastors in attendance
- 6 Regional trainers from the Pentecostal Holiness church
- A regional trainer from the Church of God
- The head of missions and church planting from the Bethel Apostolic Network
- Five staff members from Cornerstone Assembly of God
- A missionary trainer to Malaysia
- A pastor from the Evangelical Presbyterian Church
- 2 pastors & staff from independent churches
- 2 Regent University graduate students

Virtually every trainer upon completing the seminar has committed to use the FEL Series in their ministry setting! Praise the Lord.

our mission:
LTI provides training & resources to multiply ministry leaders to fulfill the Great Commission

LTI is a member in good standing of the Evangelical Council for Financial Accountability.

Cornerstone Assembly: A Model Site for Church Leadership Training

LTI is pleased to announce the addition of a new "Model Site" for church-based leadership training. Cornerstone Assembly of God in Hampton, Virginia, will begin their training institute in January 2005. They will serve as a model for any church or leader to see how to run their own program. Senior Pastor Gerard Ruff of

"After our five-member staff interviewed Kevin and examined the LTI material and program, we all agreed that this was exactly what we were looking for to grow and multiply our leaders and send out ministry equipers around the world. We are excited to be a model site for LTI!"

Cornerstone Assembly recently completed the LTI Certified Training Seminar, along with four other church staff members.

Cornerstone is a 750-member church that just completed a new building project and is now looking to grow their leaders and expand their church body. Cornerstone will put their top 50 church leaders through the entire FEL Series over a two-year

period. They will then be fully trained and ready to multiply leaders at home and overseas.

The Seven Laws of the Teacher

Adapted from Howard Hendricks' classic, *Teaching to Change Lives*, as presented in the LTI Certified Trainer Seminar.

T Teacher

If you stop growing today, you will stop teaching tomorrow.

E Education

How people learn determines how you teach them.

A Activity

Maximum learning is always the result of maximum involvement.

C Communication

To truly impart information requires the building of communication bridges.

H Heart

Teaching that impacts is not head to head, but heart to heart.

B Encouragement

Teaching tends to be most effective when the learner is properly motivated.

R Readiness

The teaching & learning process will be most effective when both student and teacher are adequately prepared.
