LTI Celebrates a Milestone Moment

LTI celebrated a great milestone at the end of August – we have completed ten of the FEL modules! The vision and dream of producing a world-class leadership training system is coming to pass! We held a milestone party for all the people who have worked hard over the past four years to bring the FEL Training Series into being. Many great testimonies were shared concerning the Lord's supernatural revelation, breakthroughs, and provision to create these materials for worldwide impact.

Leadership Lessons

by Kevin Hinman, President

Leader's Foundation
Stone #1: Knowing God
(Excerpted from
The Leader's Foundation)

A Leader Must Know God Through Personal:

1. Revelation:

Allowing God to reveal His truth.

The things of God cannot be understood without the Spirit of God revealing them to us (1Co 2:6-16). A spiritual man is able to make judgments about all things (vs 15).

- God revealed to Peter that Jesus was the Christ (Mt 16:13-19).
- Moments later Peter did not understand Christ's main mission (Mt 16:21-23).
- We must continually seek God for His revelation.

2. Transformation:

Personally experiencing Christ.

The biblical phrase "to know" has a much deeper meaning than intellectual understanding. It means to know through personal experience and encounter.

- Leaders must become a new creation in Christ (2Co 5:17)
- Leaders must seek to intimately and personally experience the presence and power of the resurrected Christ, even sharing in His willingness to suffer for the gospel (Php 3:10).
- Leaders must die to self and let Christ live in us (Gal 2:20).
- Leaders must have their minds renewed by Christ (Ro 12:1,2).

3. Examination:

Carefully evaluating all by God's Word.

- To know God and His will, leaders must consistently study, examine, and meditate on the Word of God (2Ti 3:16, 17, Heb 4:12).
- Leaders must allow God and His word to examine our own hearts and actions (Ps 26:2, 1Ti 3:10).
- Leaders must examine and handle the Word at a more stringent level because they must evaluate if others are speaking accurately or distorting the truth (Ac 17:11, 2Ti 2:15).
- We must test everything, hold onto what is good (1Th 5:21).
